Early Life and Education:

Jeffrey Aubuchon's passion for dentistry began at a young age. Growing up in a small town, he witnessed firsthand the transformative power of a confident smile. After graduating high school with honors, he pursued his dream of becoming a dentist at the prestigious University of Michigan School of Dentistry.

During his undergraduate studies, Aubuchon excelled academically, earning recognition as a Dean's List scholar. He was actively involved in the student dental association, serving as its president and organizing community outreach programs.

Professional Career:

After graduating dental school with honors, Dr. Aubuchon embarked on a successful career in dentistry. He gained valuable experience working as an associate dentist in various practices, honing his skills and developing his patient-centered approach.

In 2003, Dr. Aubuchon founded Miles of Smiles, a private dental practice committed to providing comprehensive dental care in a warm and welcoming environment. Under his leadership, Miles of Smiles has become a trusted destination for patients seeking exceptional dental services.

Innovative Technology:

Dr. Aubuchon believes in embracing the latest advancements in dental technology to enhance patient care. Miles of Smiles is equipped with state-of-the-art equipment, including:

- Digital X-rays for precise diagnostics
- 3D scanners for accurate treatment planning
- CAD/CAM milling machine for creating custom dental restorations

Smile Makeovers:

One of Dr. Aubuchon's signature services is smile makeovers, designed to transform dull or damaged smiles into vibrant, confident ones. These treatments often involve a combination of cosmetic dentistry procedures, such as:

- Teeth whitening for a brighter, more youthful appearance
- Porcelain veneers for masking imperfections and gaps
- Dental implants for replacing missing teeth

Dr. Aubuchon approaches smile makeovers with a meticulous eye for detail, ensuring that the final result is both aesthetically pleasing and functional.

Patient-Centered Approach:

At the heart of Dr. Aubuchon's dental philosophy is a deep commitment to patient satisfaction. He believes that every patient deserves to have a positive and comfortable dental experience.

During appointments, Dr. Aubuchon takes time to listen to patients' concerns, thoroughly explain treatment options, and answer questions. His gentle and compassionate demeanor puts patients at ease, creating a trusting environment.

Continuing Education:

Dr. Aubuchon is dedicated to staying abreast of the latest advancements in dentistry. He regularly attends conferences and workshops, pursuing continuing education credits to enhance his knowledge and skills.

By investing in his professional development, Dr. Aubuchon ensures that his patients receive the highest quality dental care possible.

Community Involvement:

Beyond his clinical work, Dr. Aubuchon is an active member of the local community. He has volunteered his time at free dental clinics, providing care to underserved populations.

Dr. Aubuchon also supports local schools and youth organizations, believing that good oral health promotes overall well-being.

:

Dr. Jeffrey Aubuchon has dedicated his life to creating miles of smiles. Through his exceptional patient care, innovative technology, and unwavering commitment to excellence, he has established Miles of Smiles as a beacon of dental innovation in the community.

As Dr. Aubuchon continues to shape the smiles of his patients, his legacy as a tireless advocate for dental health will endure for many years to come.
