The first book in the trilogy, **Mother Earth**, introduces us to our protagonist, Anya. Anya is a young woman who has always felt a deep connection to the natural world. She is a skilled herbalist and healer, and she has a deep respect for the spirits of the forest. However, when her village is attacked by a ruthless warlord, Anya must confront her own fears and insecurities in order to find the strength to fight back.

The second book in the trilogy, ****Father Sky****, follows Anya on her journey to the sacred mountain where she hopes to find the power to defeat the warlord. Along the way, she meets a variety of allies and enemies, and she learns more about the nature of the world and her own place in it.

The third and final book in the trilogy, ****The Ivory Carver****, brings Anya's journey to a head. She must face the warlord in a final battle that will determine the fate of her people. But before she can do that, she must first confront her own inner demons and find the strength to believe in herself.

The Ivory Carver Trilogy is a beautifully written and thought-provoking series that explores the complex relationship between humans and nature. Anya is a complex and relatable character, and her journey is one that will resonate with readers of all ages. The trilogy is a must-read for fans of epic fantasy, and it is sure to leave a lasting impression on readers.
