The basic steps of tap dance are the shuffle, ball change, flap, heel drop, and toe stand. These steps can be combined in a variety of ways to create different rhythms and patterns. Tap dancers also use their arms and body to create movement and expression.

The Shuffle

The shuffle is the most basic step in tap dance. It is performed by sliding the feet back and forth across the floor. The shuffle can be performed in a variety of tempos and rhythms. It is a versatile step that can be used to create a variety of sounds and effects.

The Ball Change

The ball change is a variation of the shuffle. It is performed by sliding the feet back and forth across the floor, but with a slight pause on each step. The ball change is a more syncopated step than the shuffle, and it can be used to create a variety of rhythms and patterns.

The ball change is a variation of the shuffle.

The Flap

The flap is a step that is performed by tapping the toe of one foot and then the heel of the other foot. The flap is a quick and percussive step, and it can be used to create a variety of rhythms and patterns.

BEGINNER TAP DANCE STEPS

FLAPS

The Heel Drop

The heel drop is a step that is performed by dropping the heel of one foot to the floor. The heel drop is a heavy and accented step, and it can be used to create a variety of rhythms and patterns.

The heel drop is a heavy and accented step.

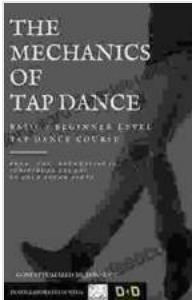

The Toe Stand

The toe stand is a step that is performed by standing on the toes of one foot. The toe stand is a challenging step, but it can be used to create a variety of rhythms and patterns.

The basic steps of tap dance are the shuffle, ball change, flap, heel drop, and toe stand. These steps can be combined in a variety of ways to create different rhythms and patterns. Tap dancers also use their arms and body to create movement and expression.

Tap dance is a fun and rewarding dance style that can be enjoyed by people of all ages and abilities. If you are interested in learning more about tap dance, there are many resources available online and in your local community.
