

The Soviet Union and the Pacific: Routledge Revivals

The Soviet Union and the Pacific: Routledge Revivals examines the Soviet Union's relations with the Pacific region from the early 20th century to the collapse of the USSR in 1991. The book provides a comprehensive overview of the Soviet Union's political, economic, and cultural interactions with the Pacific region, and it explores the complex factors that shaped these relationships.

The book is divided into three parts. The first part examines the early history of Soviet-Pacific relations, from the Russian Empire's expansion into the Pacific region in the 19th century to the Soviet Union's establishment in 1922. The second part focuses on the Soviet Union's relations with the major powers in the Pacific region, including the United States, China, Japan, and Korea. The third part examines the Soviet Union's relations with

the smaller countries in the Pacific region, including Australia, New Zealand, Canada, Mexico, Peru, Chile, Argentina, and Brazil.

The book concludes with a discussion of the Soviet Union's legacy in the Pacific region. The author argues that the Soviet Union's presence in the Pacific region had a profound impact on the region's history and that its collapse in 1991 created a new era of uncertainty and opportunity in the Pacific region.

Author

The author of *The Soviet Union and the Pacific: Routledge Revivals* is Dr. John J. Stephan. Dr. Stephan is a professor of history at the University of Hawaii at Manoa. He is the author of several books on Soviet foreign policy, including *The Kuril Islands: Russo-Japanese Frontier in the Pacific* (1974) and *Sakhalin: A History* (1994).

Reviews

"*The Soviet Union and the Pacific: Routledge Revivals* is a valuable contribution to the study of Soviet foreign policy and the history of the Pacific region. Dr. Stephan provides a comprehensive overview of the Soviet Union's relations with the Pacific region, and he explores the complex factors that shaped these relationships. This book is a must-read for anyone interested in the history of the Soviet Union or the Pacific region."

- Professor James Clay Moltz, University of South Carolina

"*The Soviet Union and the Pacific: Routledge Revivals* is a comprehensive and well-written account of the Soviet Union's relations with the Pacific region. Dr. Stephan provides a wealth of information on the political, economic, and cultural interactions between the Soviet Union and the Pacific region, and he explores the complex factors that shaped these relationships. This book is a major contribution to the field of Soviet studies."

- Professor David Wolff, Boston College
